It's that time of the year to begin planning for Dayton Modelrama 2025. Before getting into the show's specifics, let's talk about the new relationship between the AMA and Dayton Modelrama. Dayton Modelrama is one of the country's largest model swap meet and manufacturer expo. The AMA is a great organization that supports our hobby and clubs across the country and includes pilots of all skill levels and disciplines. Through our combined efforts, this relationship will draw more exhibitors and buyers to the show and that is a win / win for all of us.

Dayton Modelrama will take place on April 25 and 26 at the Montgomery County Fairgrounds in Dayton, OH. The Expo is housed in two buildings and features 42,000 square feet containing all things RC (both new and used). For the past three years we've sold over 350 tables at each event. A giant auction will follow the show on Saturday afternoon, so if your merchandise doesn't sell at your table, it can be placed in the auction!

We'll use the same Loyalty program we implemented last year. Those swappers and vendors who had tables or booths with us in 2024, can request the same tables they had in 2024. The loyalty program will open November 15 through Nov 30. Beginning December 1, table requests will be assigned in the order they were received.
