Here is your January - Dayton Modelrama 2025 Update:

We continue to receive new orders for our April 25th & 26th RC Swap Meet. As you recall, the reservation portal was opened November 15th. We're pleased to report that 68% of the tables have been sold. On paper it may seem a long way out until the show opens, however at the rate tables are being sold, it's unlikely any will be left prior to the event.

Dayton Modelrama will take place at the Montgomery County Fairgrounds in Dayton, OH. The Expo is housed in two buildings and features 42,000 square feet containing all things RC (both new and used). For the past three years we've sold over 370 tables (that's for each day). A giant auction will follow the show on Saturday afternoon, so if your merchandise doesn't sell at your table, it can be placed in the auction for a second chance!

NEW! ---- We're adding a new segment to the show, a Static Display Contest. 2021 Mr. Top Gun and Dayton Wingmasters member Brett Becker will be running the contest and he's anticipating several classifications. We'll be awarding cash prizes for Overall Show Winner and contest recognition for each class. If you have a plane that you're proud of and want to display it, please contact us, contactus@daytonmodelrama.com. Cash prizes will be awarded, and several classes be available.
